**SUMMARY OF THE REASONS FOR DECISION:**

The publication is an Australian magazine presenting explicit sexual material for male readers, such as photographs and stories depicting sex acts in graphic detail. One story describes sexual violence and sexual coercion in erotic language. The publication promotes and supports the use of violence and coercion to compel persons to participate in, and submit to, sexual conduct. It is therefore classified as objectionable under s.3(2)(b) of the Films, Videos, and Publications Classification Act 1993.
